

**Certified Aggregators Actively Seeking Residential Customers
in American Electric Power Territories in the State of Ohio Only
As of January 31, 2006**

The following aggregators currently are certified by the Public Utilities Commission of Ohio (PUCO) and can do business in areas served by American Electric Power as indicated below. These aggregators have indicated to AEP that they are actively seeking residential customers in AEP's service territory. Although these aggregators are certified by the PUCO, each aggregator decides which customers it will market to and when to begin such marketing. Consumers are encouraged to contact any of the aggregators directly to determine whether service is currently being offered.
