

**Certified Retail Electric Service Providers Actively Seeking Residential Customers
in AEP Ohio Territories in the State of Ohio
As of January 31, 2006**

The following providers currently are certified by the Public Utilities Commission of Ohio (PUCO) and can do business in areas served by American Electric Power as indicated below. These providers have indicated to AEP Ohio that they are actively seeking residential customers in AEP Ohio's service territory. Although these providers are certified by the PUCO, each provider decides which customers it will market to and when to begin such marketing. Consumers are encouraged to contact any of the providers directly to determine whether service is currently being offered.
